"The best little race

in the country" since 1991

The Hudson Valley Cancer Resource Center is a public charity unlike any other in the area. Serving nine counties, the Cancer Resource Center provides support, guidance and referrals to community resources from anyone affected by cancer. Sponsorships are tax deductible and will be used to support HVCRC and the Patient Assistance Fund. The Fund directly benefits patients and their families in our Hudson Valley communities to help offset unexpected costs related to their cancer cure. Thank you for your generosity.
